PHUKET BIRD PARK

Located on 12 acres of land, Phuket Bird Park is the only privately owned bird park on the Island. The park has over one thousand birds of more than 100 amazing bird species from Asia, Africa and South America. By nestling them with in a beautiful garden with a natural waterfall, we have placed them closest to their natural habitats. On top of that, visitors can enjoy the fascinating bird show on the large stage.

SHOWS

Many of our birds as brillantly coloured and playful macaws, beautiful hornbills, dignified, eagles and lovely big eye owls are very intelligent. They will entertain you as well as helping you learn more about birds like no other places you have seen. Bird feeding is also allowed. These will make a perfect day out for everyone in your family.
